- Team rosters-all but 1 team registered. Some pictures and disclosures still out. U11, U 13, U14, U8 (coach picture), U9 still need information.

All but one team registered just received yesterday.

Waiting on some straggling information, pictures and/or disclosures -

I have contacted coaches or managers from each of the affected teams to get me what I need.

Will be approving teams Tuesday and Wednesday then emailing Nancy at iowa soccer to approve the ones that I cannot. Neither of us can approve a team that is missing any of the above information.

 - Referee Clinic we will contact Mike Shinbori to select a date and then we can see who may be interested. U12 girls have a question regarding rosters. Will go to executive session.
 - U9 questions regarding Academy versus Illowa play. The 2 teams are not going in the same direction, what is the best direction to go? U9 and below would be up to the coach to determine if Academy was the right place to be or if Illowa. Recommendation would be to do Academy at minimum in the fall. Encourage tournament plays.
