### **New Business (Henry)**

- Team formation approval of final team rosters. All teams have rosters except Zach's U9 team. Still waiting for final. There are 212 players above Academy, 81 at Academy and 60 High School age players this fall.
- Coaching for new teams and existing teams confirmed- All teams have coaches. Dave Schnorrenberg's U8 team has 2 parents who will assist.
- All coaches, assistant coaches, and managers need to complete a disclosure form regardless of when they completed it last. There is a Concussion training they need to complete as well. Michael will put the link on the website. High school age coaches are also required to complete training.
- Illowa meeting-Rachel attended the meeting. Discussion was held regarding U8 Academy- Illowa has changed its stance and they are not sure of the future. Right now they are suggesting a U8 festival (mini tourney) with 3 cities currently included as host cities. They are not allowing any team/child who is not correct birth year (U8 only). They are looking at 3-4 weekends of play. They are asking clubs to handle their own Academies. They are also experiencing issues with not enough officials.
- Illowa- U11 and below will not be allowed "headers". U9 and U10- the goalie can not "punt" the ball, he/she must roll or throw the ball out to team mates.
- Illowa- U9 and above will perform self-scheduling Aug 6<sup>th</sup>. No place or times have been set yet. Each team must send a coach or representative to perform the scheduling.
- E Licensing- On the Iowa Soccer website, there are dates of E licensing courses, Aug 5-7 in Iowa City, Aug 12-14 in Johnston , IA, and Aug 19-21 in Bettendorf. There are limited seats still available.
- Establish date for academy discussion – committee formation and establish dates for academy- Ryan will head up the committee for Academy. The committee will have Henry, Eric Mohr, Dave Schnorrenber, Michael Harrington, Zach Warm, and Phil Flannery at minimum to work out plans. They will meet Monday, July 25<sup>th</sup> at 6pm. They plan to meet at the Eldridge Community Center. Ryan will contact the committee. Initial plans are to start the weekend after Labor Day and go 6-7 weekends. Eric Schroeder is in contact with Park View to have Academy there again.

- Kara is working on field assignments again for practice. She needs requested times/days ASAP so she can work on them. If there is a coach who requests long practice times for one team, Kara will work with them to get the times appropriate per age as suggested by US soccer which suggests “the standard game time plus 15 minutes”.
- Matt Gibbs suggests someone from NSSC attend an Eldridge City Council meeting and discussion green space in Eldridge for soccer.
- Schultz Park needs the goals repaired. Jody Tippet contacted someone to make welding repairs. Henry suggests making signage to hang on nets/goals asking kids not to “hang” from the goals.
- Email from Tom Menozzi : re: help with website, online registration and volunteer management- Not wishing to pursue at this time.
- Coaches to be reminded that a Coaching Certificate is not the same as an a Coaching License such as an E license.
- The 3 v 3 tournament is available for a team to pick up as a fund raiser.
